

1. K-LOVE radio serves the greater population of Tucson by providing one of the few safe all family music venues. It is a positive encouraging voice into the community. There is no replacment or other radio station like it.
 2. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming the radio station heard by hundreds of youth and adults in my and my neighbors church community would lose this great resource.
 3. The service provided by K-LOVE is critical to parents trying to raise children, giving them a radio station broadcasting clean uplifting music that the children love to listen to. Adults are able to appreciate the escape from the trash presented by other radio stations both in radio programming and music.
- Please save our K-Love. Thank you, Kathleen
